Roads in the area often become impassable when wet or snowy. Attention to the forecast is critical to avoid getting stranded. 4WD and vehicles with at least 8" of clearance are strongly recommended.

Landownership on the 73 is a complex patchwork of American Prairie, BLM, and state land. It is the responsibility of the visitor to determine land ownership and follow applicable regulations. Do not trespass on neighboring private land.

The 73 is a working cattle ranch. Please leave all gates as you find them.

BLM and Montana DNRC roads and trails are managed by the respective agency and not American Prairie. These roads are shown for reference but this map does not represent legal status of these roads. Please contact the agency for more information. No warranty is made regarding the accuracy of this map. It is the responsibility of the user to determine land ownership and road status.
